Volume 15 Issue 6

June 2004

FROM THE MAYOR'S DESK

Howdy Folks,

Well the June match came and left in the dust, now we are getting ready for the 4th of July match. Don't quite know what

will take place but it will.

You'll missed a right good parade at Elizabeth, maybe more of you should try these on for size. A lot of folks got a real bang out of seeing cowboys and cowgirls a packin iron.

The Annual Match is a coming up quicker than you think best be getting your registrations in so we can give the caterer a firm number for the banquet.

Any of you folks have some one in mind to approach for a Shaketail sponsor you do need to get at it, as of right now we have 5 signed up as sponsors and are looking for more. So lets git going.

An ole friend stopped by to shoot with us at the June match,

Bisley from way down Florida way came and spent the night and the day of throwin lead down range. As you may recall Bisley took home the prized Snake last year. It sure was good to see him, He and his Mrs. are real great folks.

To everyone that helps make the match work, thank you.

Keep your powder dry.

SHORT ROUNDS FROM STARSHOT

Greetings Ya'll!

It seems Mother Nature really has it in for us. We either freeze, drown or roast (the June Match was a roaster). We'll be sure to have water jugs out next time. The next match is on the 4th of July, so come out and celebrate our country's 228th birthday. We'll be doing things a might different this time around. The day will be a fun match with us trying out some ideas for the annual match. Also, we'll let you come up with a scenario on the spot. You be the director and see how your ideas pan out on the line. We'll set up a berm so a few of us can take some new shooters out for a lesson or two. We'll have the grill out so bring some flesh to roast along with those potluck side dishes. After

lunch there will be time to sight in on the long range. It should be a fun day for all.

On another topic, I've been hearing good and bad things on the grapevine lately. The good words are always appreciated, as are the efforts of those who make Shaketail a fun place to shoot. If you have constructive criticism, we look for ways to make things better, and I thank those who have spoken with me or e-mailed for your input. One thing that puts a burr under my britches is when I hear bad things second-hand in a gun shop. Instead, if there are folks who have a beef about something, bring it up to the town council or match director. I guarantee you'll get a straight, honest answer as to why something is the way it is.

Maybe we're restricted in ways you're not aware of, or maybe you have a solution we haven't thought about. We'd just like to hear from you directly. If you'd like some changes to the stages, come out on the first Saturday to help set up. This next match is a great chance to experiment with new ideas. There are a faithful few out here every month trying their best for you. Please pitch in, support the Shaketail community and be a part of the process. Bushwhacking the organization or people is not the Cowboy way.

That's about all for now. Don't squat with your spurs on and I'll see y'all at the Match.
