Volume 17 Issue 6

June 2006

FROM THE MAYOR'S DESK

Howdy Folks,
Those of you that were there know that it was a real good shoot this month, although I think

some one was messing with my scores, seems like I shot a whole lot better than it shows, maybe I need to tip the score keeper a lot more than I didn't.

This is a busy month at Ben Lomond with the open house and the match and preparing for the up coming

ANNUAL it seems as though there is never enough time or day light to get it all done.

We will have a new cook this year as Calico would like to shoot this year and have time to just enjoy the annual. Calico has been our cook for near 6 years or longer. She and the Marshal have always been a blessing to all of us not only at the annual but through out each year. Thanks very much for all that you two have done and for what you will continue to do in the fu-

ture.

Our new cook this year will be Lead Chef the BETTER half of the Slowhand Torch family With their son Conner Kid. She tells me there will be some surprises, so I am looking forward to seeing what she has up her sleeve.

That's all from me folks I'll see you on the 2nd of July for the Independence day shoot.

Keep your powder dry.

Yaro

WADDIES WANTED

A big part of what makes the Annual run so smoothly are the helpers we call Waddies. These folks do a lot of the all-around chores behind the scenes that make the Annual enjoyable for everyone else. As always, we could use a couple of good ones this year.

Duties are helping to move targets between the stages; running score sheets to the ranch house; help with the shade tents for the bays; run supplies such as water to the bays; and other odd jobs.

Colorado Swede is in charge of this work. If you're interested in helping out, please give him a call at 303-688-3750.

SHAKETAIL WORK DAY

There is a work day scheduled for July 9th at 9:00 AM. Sullivan Ballou and Single Shot Sullie will be heading this up.

The work will be easy—most of it consists of light repair of the loading and unloading tables, and the benches and rifle racks in the bays. As you've noticed, a lot of these are getting wobbly in their old age, and we fix them up every year.

If you have a little time to spare, please come on out on the 9th and lend a hand. This will really help get things ready for the Annual, and it's a good way to get your BLGC work bond for the year.

PAINT PARTY

Ric-a-d-split is heading up a paint party on July 16th at 9:00 AM. Now before you remember how much you hate to paint, he's bringing his airless sprayer, which is going to make the job a whole lot easier.

He's got plans to paint the backside of Shaketail City, and some of the false fronts and other accessories on the range. While he'll be doing most of the work with the sprayer, he could still use some help with the work.

If you're willing to help, you can call him at 303-646-3558 to see what he needs. This counts as BLGC work bond.
