Volume 19 Issue 10

October 2008

NOTES FROM THE RANGE

Somebody upstairs must really like the Shaketails because we had a perfect day for shooting this month. The sun was

shining down on us and there was just enough breeze to keep the smell of gunpowder in the air. The wind didn't pick up until after we were done shooting allowing the Black Powder shooters to smoke up the place and allow the rest of you to enjoy the wonders of the black smoke.

We had 27 shooters this month and really hope to have more next month. Tell your friends if you enjoyed the match and encourage them to come out and join us.

Midnite Slim has volunteered to become my assistant Match Director. He has always been a strong supporter and will do a great job keeping me straight. Lord knows I need it.

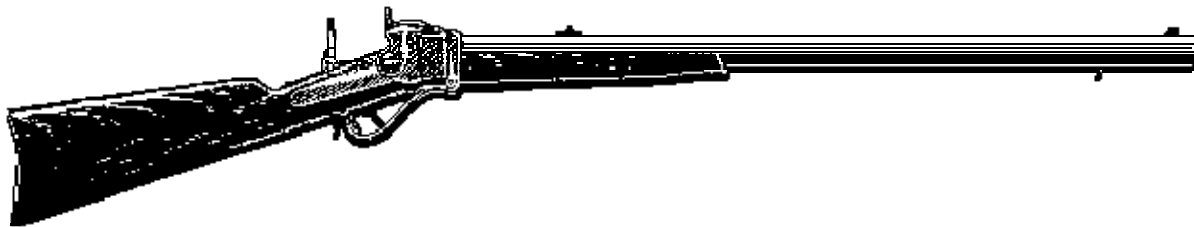

I have received a lot of good comments from many of you about the match. I really appreciate the good words. If any of you want to write stages, help with set up, or just throw your 2 cents worth in, feel free. My e-mail is wkeeney@earthlink.net.

There is an application form in this months Tattler. We need members to join up and become Shaketails. You will have a voice in how things are run and who runs them. Elections will be held each

year and members will get to vote on their leadership. Please sign up and help make the Colorado Shaketails a great place to come shoot.

Finally, I plan to give a R0 1 class next month. I am in contact with SASS to get the supplies and want to try to hold it after the match next month. If this is something you are interested in, show up. Remember, being a R01 will give you a better understanding of the workings of the match and what the rules are.

Catch you on the range next time,
Walker Keeney
Range Boss
