NOTES FROM THE RANGE

20 years of what Cathouse Bill taught them and Gunsmoke and he brought many shooters into SASS Lead. The Colorado Shaketails came together on the First of March and celebrated our birthday with a bang. Well actually a lot of them.

41 Cowboys and Cowgirls from various parts of the state showed up to honor our founder, Cathouse Bill. Cathouse Bill founded the Shaketails, the first SASS club in Colorado, back in 89. He was instrumental in moving the BLGC and Shaketails to our current range location when encroachment forced the club to move. Many of the targets, props, and range facilities are a direct result of Cathouse Bills hard and dedicated work. Many of the Cowboy Action Shooters here in Colorado and elsewhere were greatly influenced by

20 years of what Cathouse Bill taught them and Gunsmoke and he brought many shooters into SASS Lead. The Colorado Shaketails came together on the First of March and celebrated our birthday with a bang. Well actually a lot of them.

SASS founding member Tex SASS #4 sent a personal certificate of congratulation to Cathouse Bill and it was my honor to present it to him at the shooters meeting. I have shot with Cathouse Bill for 10 years now and have learned much from him.

The Colorado Shaketails also presented Cathouse Bill a plaque congratulating him and thanking him for providing us with a great organization. Cathouse Bill is the only member of the Colorado Shaketails that has a LIFE Membership.

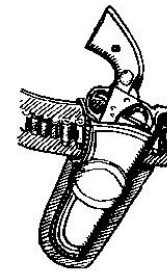

I hope everyone had a great time at the match and had a chance to talk with Cathouse while they were there. His stage (#4) was a hoot and proved that an old dog can teach

the young pups a thing or two.

I was glad to see how many shooters showed up, considering Winter Range was also going on the same weekend. Bat Masterson and several others came down from the Sand Creek Raiders to join us. I hope everyone had a good time and come back to shoot with us next month. The April match will be on the 5th and I look forward to seeing all of you back on the range as we kick off our 21st year with a bang.

Until then, see you on the range.

Just a reminder that we could use some extra help with setup on Saturday and teardown on Sunday afternoon. Please pitch in if you can.
