## NOTES FROM THE RANGE

The weather was as good as you could ask for this time of year. Though a bit of breeze might have helped to clear out some of the powder smoke from them black powder burners. Warm weather and a good bunch of shooting folks made for an excellent day on the range. There were a lot of old faces that showed up and even some new ones and that is always a good thing. The stages were challenging and fun and kudos have to go out to Haywire Snuffy and Scat Slinger for helping to write my first official match. And thanks to those that voted for me (I'll find you!!!), just funnin'. I will do my best to keep things running and getting better.

I would also like to thank Bloody Lane & Haywire Snuffy for all they do to get the matches set up and keep them running. Without them it would be a very tedious job indeed. And as much as they do I would like

to ask anyone that can to come and help set up. It is always easier with a few extra hands. Thanks to everyone that helped load at the end of the match, Kiowa Kid, Lost River Bill and all the others that were too many to mention and get the whole thing in the Tattler. The more that pitch in the faster it goes.

Another that needs mention is Shootin' Miss who kept the home fires burnin' while we burnt powder. She had the food heated up just right to finish out the day and stayed all the way through 'til clean up was done.

As you can see this is not a one man show, it takes many hands to make it come off smoothly. With that I would ask that any that can come out and help whenever you can. One or even two more setting up makes things go much quicker and you get some say as to what we shoot. If you like 'em bigger or further out you can have a say if you help set up. Also if there is anyone that would like to take on

the task of assistant match director please step up and let me know. Also anyone that wants to write and submit a stage please do. Any stages or ideas will be graciously accepted and used.

I won't be there next month due to a previous engagement (buck antelope somewhere in Yoder), so I really need some folks to step up and help with setup and running the match. You can contact me or any board member if you would like to help at the next match. You can Contact me at:

[midniteslim@yahoo.com](mailto:midniteslim@yahoo.com) or 719-660-2742. If you want to call me, I work nights and I'm grumpy 'til around 10:30 am.

Well I got a bit long winded and it's time for my beauty sleep (not enough time in the day to help much) so I'll end this. Until we meet on the range again keep your powder dry and always drink up steam from the herd.

*Midnite Slim*

# President's Report

We have ended our first year as a self governing Discipline at BLGC so it is only appropriate that we bring everyone up to date.

This has been a good year considering the state of the economy that is taking its toll on a lot of folks. There have been some growing pains and adjustments to the new roll, but over all it has been a good change for both BLGC and us. BLGC no longer has to try and oversee something that they do not understand and we now are free to set our course and elect our leaders as we see is in the best interest of our club.

It appears that we are growing bit by bit each month. We are having new shooters and more and more spectators coming to look us over. That said, we have had our first election and all went well. The Board met on Sept, 1, and counted the votes.

Here are the results for you to look at:

President = John Bartholomew AKA Yaro  
Secretary = Shootin Hoosier AKA David Steele  
At Large Board Member = K-K AKA Cay Kline  
Territorial Governor = Shootin Hoosier AKA David Steele  
Match Director = Midnite Slim AKA Devin Spurlin

Walker Keeny, who has lead our club for the past year found it necessary to step down due to a new work load that included considerable travel and time away from home. With the being out of town a lot and then his commitment to the Shaketails as Match Director was bound to cause problems at home. Thus his decision to step down. Being a Match Director is not just a once a month deal, but takes up a lot of time and commitment.

We all GIVE a Big Thank You to Walker for his long time commitment and dedication to the Shaketails and a job WELL DONE, Thanks Walker.

With Walkers resignation that leaves us with the VP position to fill. The Board is asking for anyone that may be interested to please contact any of the Board Members and place their name into consideration. We take all names submitted into consideration and make the appointment as soon as possible.

I thank you for your time and will see you at the next shoot.

President Colorado Shaketails  
John Bartholomew

aka **Yaro**
