April 2010

NOTES FROM THE RANGE

Happy Easter to all. We had a great Easter shoot. I know it was a day early and that probably kept a few from making it out but it was still a great day of shooting. The wind was with us again but it was tolerable. The shooting was great, J.W. Dixon almost shot a clean match, missing only one on the last stage. Blame the wind J. W. (I would.). Then there was Yaro, we timed him with a sundial. Gotta get my jabs in where I can, love ya man.

We had a new shooter with us, Yankee Cowboy. I hope he comes back and continues to shoot with us. I would like to thank him from the club and personally for his service to this great country. God speed to you in all you do. I think he'll be a good challenger to Kiowa Kid.

The Shaketails gained three new members this weekend. Choctaw Charlie, Bobwire Rich and Silver Dollar Bill, welcome to all. Bobwire even donated most of the supplies to get our

platform built on the trailer. Thank you so much for that Bobwire. If you are not a member of the Shaketails I would highly recommend joining and help to set the direction the club is taking. There was even one other Cowboy shooter that came to see how we shoot and will be back in May to give it a go with us. That is what we need, more member and shooter coming out and supporting this great sport. I encourage every one to bring someone out to shoot and enjoy our sport.

For those that couldn't make it out you missed our Cowboy style Easter egg hunt. It was a hoot and may be back again soon. We had five full stages and managed to get all of them in. The cold weather is moving out and the warm weather will be moving in. I wish we could say that about the wind but it always blows out there until it's so hot hot you want it, then.... nothing. Well can't do anything about that anyway.

I want to thank everyone that helped set up this month, Yaro, Hoosier, PoleCat, Choctaw Charlie and Snuffy. As always they go the

extra mile and get it done so everyone can have a good shoot. Thanks also to everyone for getting targets down and stored after the match. Everyone pitched in and we were eating shortly afterward, thank you.

That's about it for this month. In May we will once again be shooting on the first Sunday, so mark your calendar. Couple of quick items, we will be building a platform for the trailer on Saturday April 17 and could use some help. We will start at 9:00 am. Come on out and lend a hand if you can. We will also be doing some spring cleaning on the ranch house that same day. If you can't drive nails straight maybe you can push a broom. Also I need some volunteers for the BLGC open house June 12. If you are a BLGC member and need some work bond time I would be grateful for the help. Time to wind this up and enjoy the rest of Easter day.

Until we meet on the range again, keep your powder dry and God Bless.
