## NOTES FROM THE RANGE

Well we have started a new year and we did it with a bang, a ding and some smoke. No better way to ring in the New Year than the sound of ringing steel and the smell of gun powder. The weather could have been a bit warmer but we still had a great turn out. Two posses and lots of good food, fun fast stages and the best company you could ask for on a brisk Sunday. God smiled on us today.

As always I want to thank those that came out to help set up and those that provided a feast to warm up with after. Without those folks it would have been just another cold day with little to look forward to. Thank you Bloody Lane, Dirty Pole Cat, Haywire Snuffy, Yaro and Bubba. You folks make set up quick and easy. I'm not sure who all brought what to eat but it was mighty tasty and went a long way to cut the chill after being out in the cold all day. Shootin' Miss may have put a burden on herself and

may have to bring that caso dip to be allowed to shoot, it was that good. And to everyone else thank you.

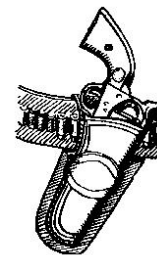

Some may think it too early to start thinking about it but the Annual is just down the road and around the corner. It comes on quick and there is a lot to be done before then. Planning and prepping starts as soon as the last trophy is handed out and we are working hard already to make this year as good, or better that any before it. There is a lot to do and any help we can get will be much appreciated. The Board is looking at all the mundane things (food, water, camping, etc...) and I am working on stages and entertainment and making things run smooth. I would personally like to ask each and every one that comes out to help in any way, big or small it counts and helps bunches. We need sponsors and donations, waddies to set up and tear down. We need shooters and word of mouth advertisement, so I am asking you good folks to do what you can to make this our best year ever. Bring a friend

to shoot, entice a spouse get the kids involved. The more we have the better for us and this sport we love.

Time to sign off for now and get some vittles before a new year of work begins. I hope to see another good turn out in February and another good day of shooting. And if you happen to be on the range in the coming days look for the toes of my left foot, I think I dropped at least one between the stages and the ranch house.

Until next month keep your powder dry and don't eat yellow snow.
