## NOTES FROM THE RANGE

What a great day to shoot. The wind could have been lighter but it was behind us and not in your face. The stages were simple yet challenging and everyone had a good time. I have yet to determine whether I like that Texas Star or not. It has this tendency to move at just the wrong time and in the wrong way, I don't think it likes being shot. No matter I missed the big gong too!!! All in all it was a very good shoot. Again we had several lost shooters find their way back to us. Doc Cutter, Nina Nickum and Widow Maker. At least one new shooter who I did not get the opportunity to meet, Shorty & Steel Belle. Always good to have new shooters and always great to see old friends.

Time is moving at a quick pace and we are moving with it. Our next shoot will be on the fourth of July so I'll have to come up with some fire cracker stages. Then shortly after that comes The Annual. We are moving forward and getting that

hammered out. I urge everyone to get their registrations in so you'll have a spot on a posse. I also need some folks to volunteer as Waddies to help set up and keep thing moving smoothly. I know several people have already asked for registrations and we should start getting entries soon. You can find the registration forms on the Shaketail web site and here in the Tattler, so let's get them coming in.

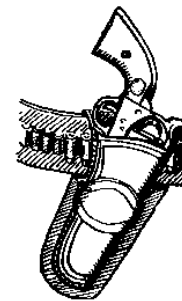

We are going to have 2 work days coming up. One to build a platform on our trailer and one to prep for the Annual. The first will be Saturday June 26, that will be to build the trailer platform. The second will be determined soon and posted here and through E-mail notices. We will start at 9:00 am on the 26th and get that done quick as possible, so come out and help. Bring a hammer, screw gun, pry bar or any other tools you have and lets get that up.

As always I need to thank everyone that helps setup and tear down. These people make my job so much easier. Thank you to Bloody Lane, Shootin' Hoosier and Haywire

Snuffy for being there to set up. And to all those that stay and eat late so we can tear down and get the ranges clear. There were so many that helped this month that I can't name them all but I would like to mention 2. Bob Wire Rich and Buckshot Bill Morgan. These two gents have been a blessing to our shoots and this club, stepping up and going beyond the norm to get us loaded and in to dinner that much faster. Thank you both.

Well that about covers it for this month. I look forward to seeing everybody next month and to another great shoot. So until we meet on the range again; Keep your powder dry, your pony well shod and your sense of humor intact.

## Shaketails Introduce Cowboy Action Shooting to 186 Kids

The Shaketails supported the *Ducks and Bucks Youth Day* that is organized by the Front Range Greenwing Chapter of Ducks Unlimited and The Mule Deer Foundation. J.W Dixon, Silverton, Yaro and I spent the day out at Rocky Mountain Roosters near Calhan introducing Cowboy Action Shooting to 186 kids and their parents. By all accounts the demonstration was a big hit. We had a wide array of cowboy firearms on display, including some loaned by K-K. The kids could come by and take a look and ask questions. We were able to promote CAS, BLGC and the Shaketails to an eager audience. We put on two shooting exhibitions where we shot a mini match demonstrating various guns and shooting techniques. Silverton even gave them a whiff of black powder with some frontier cartridge shooting.
