NOTES FROM THE RANGE

What a great shoot! Lots of folk came out on a potentially bad weather day. Thankfully the weather held off and let us get in a full shoot. How about that new target! I don't know about anyone else but I thought it was a hoot and so much fun to watch people shoot at. Thanks go out to John Henry for going down to Texas to pick them up. They will definitely make a challenging stage when they get thrown in.

We had three new shooters join us and they were most welcome. Things are beginning to pickup and the warmer weather coming should bring out a few more shooters. At least I hope warmer weather is coming, I've had enough snow and cold. Nothing we can do about the weather but make the best of it. Several old shooters came back after being gone for a bit and it was a pleasure seeing them. Slick & Kansas Kid are always a pleasure to shoot with. We are growing and it is great. The more people that come out the better. I encourage everyone to bring a guest

out and get more people involved in this great sport of Cowboy Action Shooting. I can't think of anything more enjoyable than shooting with a bunch of good folks on a blustery Sunday afternoon except maybe shooting on beautiful sunny afternoon with that same bunch.

We have some events coming up pretty quick and could use some help. As always help on Saturday setup is always appreciated and those that regularly show up are a blessing to this club. The BLGC open house is happening on June 12th and we would love to see folk come out to support us and to see what else BLGC has to offer in shooting sports. We need some people to come out and encourage new shooters to join us. We will send out some information on this soon. Times & what we need to make this a good day for us and BLGC, so keep your eyes open for that. Also coming up quicker than a gamer on big close targets is the Annual Shoot. Only 4 months until that happens. We need sponsors and Waddies and as many folk to shoot as we can get. Let's make this the best Annual ever. Get

some new shooters involved, talk to business owners you know about sponsoring a stage or even donate something for a door prize or silent auction item. I think this is a great club and we have the best shooters any where so let's step up and prove it.

Before signing off I need to thank a few folks. First is Lost River Bill, he donated a new microwave to us at the shoot. That will be a great help for all our shoots. Thanks also to Haywire Snuffy, Bloody Lane, Dirty Pole Cat & Choctaw Charlie for being there Saturday to help set up and all those that helped get the targets & props put away after the shoot. Last but certainly not the least all of you that come out and shoot with us and make this the great club it is. Thanks!!!!

Time to sign off and get busy doing???, I just remembered I'm on Vacation this week, I'm not doing ANYTHING. Until we meet on the range again, Keep your powder dry and don't drink down stream from the herd.

Preacher Jack

If you've been out to a shoot the last couple of months you probably met Preacher Jack. He wanted me to pass along that he has found a new home. He is now the minister for a church in Hamilton, Montana.

Jack, we all wish you well in your new calling.
