September 2010

NOTES FROM THE RANGE

This is Shootin Hoosier here sittin' in the saddle for Midnite Slim who is enjoying a well deserved vacation.

We had a pretty decent turnout out for a long holiday weekend when a lot of folks are taking an end of summer vacation. The weather couldn't have been much better - maybe it was a little warm but the breeze kept us comfortable. Midnite Slim wrote the stages up and did a great job as usual. Stage 5 proved the most challenging with three bonus opportunities, the Texas Star and a pistol reload on the clock. A few cowboys commented that they need some more practice on those reloads.

It was good to see we had some returning new shooters, Buckshot Bill Morgan, Calhan Cody and Steel Belle. I want to especially complement Calhan Cody on his mere 6 misses.

I want to thank the good folks that helped me setup Saturday - Yaro, Bloody Lane and Mayhem Matt. Thanks go to K-K for running the posse Sunday.

Bob Wire Rich brought out an experimental moving target that is still in development. Looks like it will be lot of fun. Hope to see it at a shoot when he has it perfected.

ELECTION RESULTS & BOD CHANGES

Now on to some club business. As Shaketail members know, we just held an election. Since no positions were contested, the results are not surprising. We had three positions up for election this year: Lost River Bill will continue to serve as Vice President; Midnite Slim will continue to serve as Match Director; and Dirty Pole Cat assumes the Treasurer position from Silverton. I want to thank Silverton for his long service as Treasurer. His dedication in this position certainly helped me out a great deal as Secretary.

There have been two more changes to the

composition of the board. Yaro has decided to step aside. Please read his letter here in the Tattler. I don't quite know what to say. Yaro has put a lot of years and effort into this club and certainly has earned the right to take a rest from running things. We all owe him a big thank you. As a result of this change, the board of directors decided to have me fill the remainder of Yaro's term as president. Silverton will backfill for me as Secretary (and here he thought he was retiring from the board after Polecat became Treasurer). I am honored to accept the position and hope to serve the club well.

Finally, we'll be looking to hold a Shaketails members meeting. I would like to wait until the agenda for the Territorial Governors Summit is established so we can discuss how to vote. That probably means we will be in late October or early November. Please send comments on time and location preferences.

Shootin Hoosier

A LETTER FROM YARO

Howdy Folks,

I thought that we should have an update on how we have moved ahead and the progress that has taken place with the Shaketails over the past couple of years, since we were asked to become a separate club from BLGC by their leadership.

We have just completed our second election of officers this past August with great success. Almost 50% of our members voted no write in and the gents running for office were elected unanimously. I thank you for the support of your club. Although it may seem a waste of time to vote in an uncontested election, it shows the integrity of our members and their support.

This last year we have accomplished a great deal. We bought a storage trailer for the club, also a new Texas Star target, timers and other equipment. The board is looking to expand on other

needs as this year proceeds. They will be asking for your help and ideas to keep the club moving in the right direction. I know that you all will be there to help as you always have been.

Our membership has grown at a very good rate this year sometimes as many as 3-4 new members a month. That is a credit to all of you and your support for shooting and just having fun and the great camaradery that we have at our matches.

There comes a time when its time to move on. I have made that decision and resigned as President of the Shaketails effective Sept. 1, 2010. The board graciously accepted my resignation after I explained why I felt it was in the best interest of our club. I have enjoyed most of the time as the MD and President, but believe that one becomes stale and it is better to hand off the reins and just be a shooter. I'll sit back and watch and enjoy the time as I always have but not have any responsibility other than that of any other member.

I don't plan on leaving the club or to quit shootin, so don't think that you will see the last of me.

I would like to thank all of the folks that have supported me in the past and during the transition of the club. With out that we could not have made it.

There are many special folks that I have shot with for many years to all of them thank you and God Bless each of you.

Shootin Hoosier will be taking the rest of my term and as all of you should know he is as good a man as we can have in that position. I support him and all of the board members 100% and ask that you do to.

Thanks to all of our members and God Bless each of you.

I'll see you at the next shoot.

Keep your Powder Dry
Yaro
