NOTES FROM THE RANGE

Well another shoot has come and gone. Boy howdy what fun we had. Good shooting, good friends and great food. The weekend started with a bang, a flash and a splash. That is for those of us who camped down on the range. Mr. & Mrs. John Henry, Silverton, Snuffy & I camped down there and the sky opened up for over an hour. The amazing thing is, that after all that water the berm was not muddy and you didn't grow six inches. After the rain was done we cooked some burgers and spent some time telling lies and hunting stories. Aren't those the same thing? No that's fishing tales. Any how it was off to bed and up at sunrise to set up for the shoot.

We got four stages set up in good order and a firing line established. That was the strangest part of the range we shot on, it was all one big berm. I have to

thank Frontier Sportsman's Club for allowing us to shoot there. I would recommend everyone else do the same. As we finished setting up shooters began to arrive. 18 total came out to shoot and I have to thank all of you for doing that on a Holiday weekend.

As folks gathered we prepared to celebrate Independence Day the best way possible, exercising our Constitutional right to Keep & Bear arms. After the necessary Safety briefing we gathered up and began shooting.

There was some real good shooting there. Not sure if anyone got a clean stage but there were some good scores posted. There up was some dang good shootin' & a whole lot of fun bein' had, just ask John Henry about the chickens. Don't forget the Texas Stars, both of them there and on 2 different stages!!! Who could have asked for more? Well several did but we don't have the steel yet to make it all happen. After some great shooting we sat down to

a wonderful meal. Hamburgers cooked out of doors are the best ever.

After dinner we got all the steel loaded up and headed for home. Thanks to everyone for helping. Thanks to everyone for coming down or up or whichever direction you came from. We had folks from Elizabeth, Parker, Larkspur & San Angelo Texas! Thank you all for giving up part of your weekend to shoot with us and supporting the Colorado Shaketails. Hopefully next month we'll have a permanent home and can plan for an annual next year.

Well enough for now, time to prepare for the work week. Thanks again to all who came down and to Frontier for an excellent shooting venue. 'Til we meet on the range again, keep your powder dry, your sight clean and you chicken right side up.

TG's Corner

I have to second what Midnite Slim said - what a great time we had at Frontier Sportsman's Club! It was a fun way to spend the 4th of July weekend with friends.

Not much to add from last month regarding what is going to happen with CAS at BLGC. My presentation at the July 6th BOD meeting is now done and decisions will be made on July 19th. Watch for email and monitor the website and Facebook page for updates.

A reminder to Shaketails members that we will be having an election coming up. Based on the election calendar we have established for the Shaketails, it is time to call for nominations. In odd numbered years the following positions are up for election: President, Secretary, Territorial Governor and Member-at-Large. Also since Lostriver Bill has resigned due to his retirement plans, the VP position is open as well. If you are interested or want to nominate someone please let me or any other BOD member know.

The Facebook page has been getting some activity lately. There are even a couple of video clips being posted. Take a look at: <http://www.facebook.com/Shaketails>.
