## NOTES FROM THE RANGE

Well we got to shoot again. Clear skies hot weather and hotter lead were the order of the day. 22 Cowboys & Cowgirls gathered for a good day of shooting and camaraderie. We even had a couple of brand new shooters come out and give it a try. Might be some new recruits!

There were 5 challenging stages setup and ready to be shot. As we headed out we started as 1 posse and quickly broke into 2. Moving off to separate stages we finished in good time. Everyone had fun and did some fine shooting. Lies will be told and excuses made but all in all it was a good shoot. The stages were challenging but not set to trap any one. As always we shot Shaketail style, small and far. Seem some

folk don't care for a challenge and don't shoot the cowboy way.

As always I have to thank those that come out to set up. Shootin' Hoosier, Yaro, Bloody Lane and my Lovely bride Haywire Snuffy. Thanks to all. Also thanks to all that help pull down & put steel away. Bob Wire Rich, Buckshot Bill, Bubba, A.J. and John Henry. Silverton & Yaro filled in for the missing & missed Dirty Pole Cat. He was off on an adventure of his own.

Also missed was Lostriver Bill. He will be sorely missed as he finally sold his home and is off to Florida. Should be some good winter time shooting anyway. No snow or below zero temps. But bikinis might be distracting. Fare well good friend and come see us when you can.

As of yet we are still up in the air

as to whether we will be shooting as Shaketails at BLGC come next month. Keep an eye on the 'puter and we'll let you know what's going on. If you're of a mind to, send a message to the BOD of BLGC (wasn't that in Good Morning Vietnam) and express your opinion.

Well time to end this up and prep for the work day. I'm hoping to be back on MY normal schedule and working again soon. Even the Early Bird doesn't like getting up at the crack of dawn.

Until we meet on the range again Keep Your Powder Dry and always check the combo on the lock before you try to go in.

Good Shootin',  
*Midnite Slim*

## TG's Corner

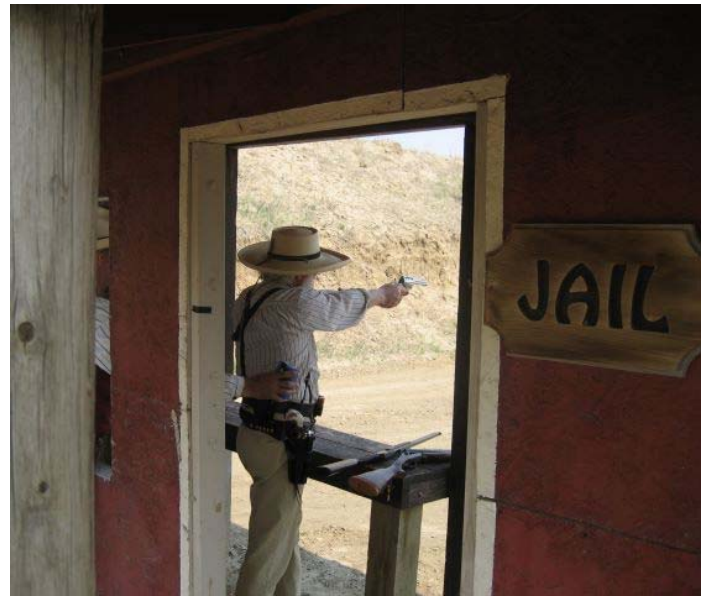

It was nice to finally get a break and have better weather this month. It was also nice to finally have my '73 run smooth. I may have found a bullet it likes - no train wrecks this month.

I also want to thank Lostriver Bill for his service to the Shaketails. We wish him the best as he moves on with his retirement plans. I know he is happy to have finally sold his house in such trying times.

I wish I could tell you what is going to happen with CAS at BLGC but I can't. The current plan is for me to present at the July 6 BOD meeting and for any vote to occur on July 19. Until then watch for email and monitor the website and Facebook page.

Speaking of the website - there are more pictures up from the 2010 Annual on <http://www.shaketails.net/>. Take a look when you get a chance. I have also occasionally been adding a picture to <http://www.facebook.com/Shaketails>.
