## NOTES FROM THE RANGE

Well howdy to all reading this. We had a great day today. You could not have asked for better weather. Calm, clear and the temperature was just right. Everyone showed up bright and early and set up quick. Thank you to everyone for that. I was a bit more scatter brained than usual and if everyone hadn't pitched in it would have been LONG day. After getting set up we quickly got to shootin". The stages were quick easy and fun this month and as we gather more targets they'll get even better.

We had several new shooters this month and we welcome them gladly. Clinch Cutter, his lovely wife Songbird Annie & his father Redhot. Thank you Songbird for running the score sheet. Your clear had writing save me and Snuffy odles of time filling out the scores. Drfterdon came back after a long absence and has been missed and Starshot even got a day off. Missing this month were Silverton (bad back), Shootin' Hoosier (vacation; phttttt) and Haywire Snuffy. Snuffy was working on getting our new home ready to move into. All were sorely missed.

There was some really fine shootin' going on at the range. Starshot was one

miss away from a clean match and many were cleanin' stages. And our newest Shaketail member, Bubba cleaned one and watched Grandpa Yaro go down in flames shortly thereafter. Good shootin' young man and welcome to our family.

We still managed to have a nice little pot luck after shootin' was done and told many lies and tall tales. The only problem all day was having our lock taken out of the daisy chain, I suspect foul play from a gang of desperado's on the high plains. Or could be just our kinda luck. Whatever it was it didn't spoil the day or dampen spirits. Snuffy sends her regrets for not being able to shoot and says all owe her double hugs next month. Bye the bye, if you aren't busy next weekend (9-10 & 11) we could use any and all help getting our ranch or ranchette cleaned patched and all fixed up. Call Snuffy or myself and we'll give you directions.

Well time to end up and ready ourselves for another work week, short though it is. Until we see you on the range again; Keep your powder dry and look into all the dark places before buying a home.

### ELECTIONS

As Shaketail members know, we just held an election. The proposed bylaw amendments were approved. Four positions were up for election this year. Since no positions were contested, the results are not surprising. I will continue to serve as President and Territorial Governor; Silverton will continue to serve as Secretary; and John Henry will assume the Member-At-Large position. I want to thank K-K for his service as Member-At-Large.

### MEMBERSHIP RENEWALS

## TG's Corner

Sorry I missed everyone again this month. I just got back this week from an extended vacation/sabbatical. Have to head back to work next week - sigh. However, I did get to do some cowboy action shooting last weekend with the *Big Iron Rangers* in Middletown, Ohio. They host the Midwest Regional Championship every year - *The Guns of August*. They did have one unpleasant surprise - a lighting strike hit their storage shed and burnt it to the ground - yikes! Ricochet Ryder was kind enough to let my long arms hitch a ride for the day in his cart. Temps hit 100 but it was not as bad as I expected. They shoot along a heavily wooded ravine that keeps the shooters out of the direct sun so even the 100 degree temperature was tolerable. My brother and his family got to come out and watch the fun. He got a few pictures for me and even a video clip. Since there were no pictures from the Shaketail shoot this month, I thought that I would share some of them. Note the angle I a shooting at into the ravine!

See everyone in October.
