NOTES FROM THE RANGE

What a great day for shooting. The weather was quite nice even though the wind was a bit brisk. The temps came up and we had some real cowboy fun. 5 stages of shooting and 2 fine posses. Lots of new folks out shooting with us, young and young at heart both. I want to welcome Brian, Kinchafoomee Kid, Kid Chaos, Texas T and Old folks. Some have shot before and some are brand new to our sport. Our Buckaroo & Young Gun categories are growing as are our lady groups. I sure would like to see more of both, so bring your wives and kids out to enjoy some cowboy time too.

The stages were fun & challenging and the ones with the most movement seemed to be the fastest to shoot. If that is the case we may run and gun more often. We had 10 people clean at least 1 stage and Hoosier was hot today clean shooting 3 stages. Great job everyone. If you have ideas for stages send them to me and I'll write the up and use them. I

am always looking for new ideas. Speaking of new ideas, Johnny Ringo (our newest member) has provided us with a whole new target. The Hanging Tree. It should provide hours of shooting pleasure and more than one fit of cursing as you attempt it. Thanks Ringo. Also a thanks to Bloody Lane & John Henry for all the work you are doing on the targets. We are steadily growing our inventory of shootin' steel. We are also beginning to build some props and some false fronts to shoot from. If you want to help and make something to use it will be greatly appreciated.

We will be having a work day to make more storage and prep for the Annual. We will also be having a practice run for our night shoot. The work day will be June 2. We are going to build a skirt around the trailer so we can store some things there. Also the ladies are going to straighten up the trailer so we have more room and can find things easier. Afterward we will take a dry run on the night shoot to iron out some of the bugs and see what works best and what doesn't work at all. Going to be a lot of

fun so come out and join us.

Annual preparation is in full swing and we are moving forward. If you know anyone that would like to sponsor us, you can contact any board member to get a sponsorship form. The Annual will again be the first weekend of August and the first at our new home. Come out and join in the fun, August 3, 4 & 5. We will be having 8-9 main match stages, side matches, long range, The Night Shoot and all the other fun of the Shaketail Annual. Goin' to be a hoot as always. There is dry camping at the range at no charge and there are hotels in Fountain that will get you close to the range if you are traveling and don't have a camper or such.

Well time to sign off for now, got to get ready to go back to the real world for another month until we can get out and meet on the range again. So until then; Keep your powder dry and sights free of fuzz.

Until we meet on the range again,

Midnite Slim

TG's Corner

It was exciting to see all of the new faces. Besides the folks that joined us for the first time this month, a few more contacted us to inquire about the club and say they will be out to join the fun soon. It is great to get the new folks into the sport.

I have one announcement I am very pleased to make. After several months of having the Shaketails VP position open, we had a member step up and volunteer. The Shaketails board has named Drifter Don as acting Vice President. The reason for the *acting* designation is that our bylaws require that a voting board member must be a member for one year. While Drifter Don has shot with us a long time, he has not officially been a member for a full year so he will fill the position in a non-voting *acting* capacity initially. We appreciate all the help we can get. Please welcome Drifter Don into his new role.

I am including one picture of our work party that started on making some props. The rest of the pic's come from two of our young shooters; Texas T. and Kid Chaos.
