

RATTLER TATTLER

Volume 23 Issue 9

September 2012

NOTES FROM THE RANGE

It sure was a beautiful day to shoot, hot, clear and dry. Just the way we like it, hot shootin', clear misses and dry humor all day long. If you weren't there you missed a good day of shootin'. We had several new shooters come in and join us and several other that are showing interest in shooting. The weather was still warm but not as bad as August during the Annual. We got through 5 stages in good order and spent some time eating and telling stories about this shoot and many others. We will have one more month of 5 stages and then it will be time to go back to 4. Cooler weather is coming and shorter days (as if they weren't short enough). But we will continue to shoot and enjoy the fellowship that our sport brings.

Bloody Lane celebrated his 60th birthday during the shoot. Happy Birthday to you Lane and may you have many others. Although gettin' older has opened the door a bit wider for Snuffy to beat up on you. Don't despair though 'cuz you still beat me often enough. I would like to take this opportunity to thank you and John Henry for all the work the two of you have done to get us the targets we have. I can set up any kind of match on paper but without targets it would stay just a paper drawing. Thank you guys. While I am thanking folks I need to thank Shootin' Hoosier & Silverton for all you guys do for the club. This is and always will be a team effort and I have a great team helping me.

Now on to business. We have had several folks ask to move the Annual from August to September and we want some feedback from the members. We really want to

know what you think. There are several good points and some bad points too. On the plus side it will be cooler, on the bad the days aren't quite as long so it would get dark earlier. A good thing for the night shoot as we might get done before 1:00 A.M. I would appreciate any input but we do need YOUR input. This would put us on a holiday so travel time home might be better. Please let us know what you think. As members you need to give us input so we can make the shoot better or you.

Next up we need to get some work done to the trailer and would like some help. Let us know when would be a good weekend to do this and we will get it out there and get it

done. I would like to get it done before winter so we can start storing stuff under the trailer so when winter does set in we can gather in there under cover. You can respond to any board member, our E-mail addresses are all on the Shaketail web site. And don't forget we want to see all of our members comin' out and shootin' with us.

Well time to head back to reality and get ready for work. I do enjoy shooting and all the camaraderie so come out and shoot with us next month. As always keep your powder dry and remember going old is mandatory, growing up is optional. I don't ever intend to grow up. See you on the Range.

Midnite Slim

UPCOMING SHOOT

Oct 7 Monthly Shaketails Shoot – Frontier Sportsman's Club. Setup 8:00 AM, Registration 8:30 AM and Safety Meeting at 9:00AM

TG's Corner

I have a couple of items of business to cover. As Shaketail members know, we just held an election. Three positions were up for election this year. The positions being elected were VP, Treasurer and MD. Since no positions were contested, the results are not surprising. Continuing to serve as VP will be Drifter Don, as Treasurer will be Dirty Polecat and as Match Director will be Midnite Slim. I want to thank each of them for agreeing to continue in their current roles. It makes a huge difference when we have a full team dividing up the work load.

Next is a reminder for Shaketails members that it is renewal time. It would also be a good time to join if you are not member. Information on memberships is on the webpage. Insurance costs jumped 56% this year so it would be great to get a few more members to help us out. One advantage of the new insurance is that it covers individual club members as well FSC and the Shaketails - another reason to become a member.
