July 2013

## NOTES FROM THE RANGE

A late Happy nut again. Independence Day to everyone. The July shoot is in the books and all went well, for the most part. The heat really started taking a toll on some of us. I know I was having a real tough time of it at the end. I could blame a lot of things on my poor shooting this month but let's face it, the problems usually stems from a loose nut behind the gun. Oh well, all things considered it was a good shoot. Five stages, new folks shooting, clean stages shot, what more could you ask for. How about trees, shade and a big ol' stock tank to dive into after a long hot day of shootin'!!! None of that there but we did have a fine pot luck dinner afterwards. I want to thank everyone for helping to set up and tear down for the shoots, it really helps. I do miss the old days of being able to set up the night before and just get right into shootin' on Sunday but we play what we are dealt in the game.

We had 2 new shooters join us Sunday, Dr Black Jack & Jus Dinkin. Welcome and thank you for coming out. We hope to see you on the range again soon. Bloody Lane was on fire at the shoot and he may get a clean shoot before long. He had 2 clean stages and only 4 misses. Several other folks had clean stages also. There was some fine shootin' this month. Most of the stages were simple and easy to shoot although on one I am not sure what I was drinkin' while writing it. There's that loose

nut again. Now that July is done we start looking ahead to the Annual. But not too quick because we have a regular monthly shoot first this year. We will have our regular shoot Sunday Aug 3, then the Annual will be held Aug 16-18. Then we will take a break and not shoot on the Labor Day weekend. That will give everyone a chance to enjoy the holiday. We will then pick up again in Oct. So if you haven't already gotten your entries for the Annual in you still have some time to do it. We sure would like to see as many as can make it there this year.

It is time for me to close this for now. I really enjoy shootin' with everyone and want to see a good Annual shoot turn out. So until we meet on the range again; Keep your powder dry and your canteen full.

### TG's Corner

I am including the registration form for Shaketail XXIII in this month's Rattler Tattler to be held August 16-18. Try to get registrations in early or send an email to let us know you intend to register so we can get a head count. It is also an option to register just for the night shoot Saturday evening.

Finally, for Shaketails members, it is election time again. This year the positions being elected are President, Secretary, Territorial Governor and At Large. Nominations are open (you can nominate yourself) and need to be received by the end of the month.

Hope to see you at the range.
