NOTES FROM THE RANGE

It was certainly a beautiful day to shoot. The weather was warm and the wind stayed down. The road in was a bit snotty and trying to get in but the berm was dry and easy to walk in. No more growth spurts and weight gain from mud. We shot 4 stages in good order and had a lot of fun. Not being sure what the snow was going to be like I kept it down to 2 stages and wrote each 2 ways. Even though it is sand there it does get deep and wet sometimes(as seen by the porta pot delivery guy last year). All went well and it worked out real fine. We had one new shooter come out and I do believe he will be back. His temporary name is Plumb Bob and he fits in well. Also Song Bird Annie came back after winter hibernation and did a fine job shooting. We also had several out sick that missed this fine weather. Mrs. John Henry has a bad cold, Silverton is still out with back problems and Shootin' Hoosier (who came out but didn't shoot) is recovering from hernia surgery. I can't forget Johnny Ringo who may be out for quite a while. We wish everyone a speedy and full recovery.

We are working on the Annual already and want everyone to start thinking about it. We will have a couple of workdays prior to it in preparation. The

first is tentatively planned for April 6th. This will be the day before the April shoot. As always it depends on the weather. Others will follow. We are also going to put on a demonstration for the Mule Deer Foundation in May. Hoosier will be posting information on that soon. As always if you have any ideas for the Annual or for monthly shoots, let me or any of the Board members know.

Next month we will go to 5 stages and I certainly hope the weather stays as good as it has all winter. We have been

very fortunate with that. Of course I probably just jinxed us there but that's ok, we will still shoot. It is always a good idea to keep an eye on the website just in case. I have seen may a bad snow storm in April.

Well time to get ready to go back to work and join the real world again. So until we meet on the range again; Keep your powder dry and keep your tires in the dry groove.

TG's Corner

It is with great sadness that I must convey news from the family of Ed Roswold, AKA Trooper. Ed passed away Saturday. Please keep Ed's family in your thoughts and prayers.

SASS has announced their plans for the 2013 convention. It will be held in Branson, MO Dec 4-8. I would be interested in hearing from anyone planning on attending.

I am still looking for volunteers to work with the Pikes Peak Chapter of the Mule Deer Foundation to help with a kid's educational event on Saturday May 4th at the Rocky Mountain Roosters facilities. If you can help, please let me know. I need 4 or 5 committed for me to agree to support this great cause. We would be demonstrating and explaining Cowboy Action Shooting.

Finally, it is not looking good for Colorado gun owners. If you have not made your voice heard, please do so now.
