May 2013

NOTES FROM THE RANGE

Well spring is here and the weather was perfect, for December. All winter long we had beautiful weather and May comes around and we are wearing coats to shoot in. Well it was still a good day to shoot. Any day shooting is better than a day at work. We had a small group come out and shoot this month. I hope to see more shooters as the weather clears up. I know there are many of us that are injured and can't make it. Seems like every time I turn around someone else is getting surgery or hurt and needing it. Well growing old isn't for sissies anyway. There were 2 new shooters that came out to join us this month. I hope they come back.

We shot 5 stages this month and had a good time. Most of the stages were pretty simple and straight forward. There was one that was a little goofy. I recycled some stages and should have read them more carefully. I think I wrote that particular stage while eating some wild mushrooms or something. Well all went well and I learned something. What, I'm still not sure but I know I must have. There was also 1 old fashioned stage, meaning you only shot one pistol. It was a good day to shoot.

Shootin; Hoosier took a group of shooters out for a demonstration on Saturday. They did the M.U.L.E.Y. kids day at RMR. This is a event done every couple of years to introduce kids to various

shooting sports. It sounded like they had a good day and maybe some potential shooters out of it. Any time we have that opportunity we take it.

Looking down the road we are still moving forward on annual prep. I know folks get tired of me talking about it but we want to have a good annual this year. So make plans to join us for it. The flyer should be coming out soon and registration forms shortly after. So keep an eye on the web site.

Time to log off and start getting ready for the work week. So until we meet on the range again; Have a good week and never trust the TV weather guys.

TG's Corner

I forgot my camera this month so I will use a pic' from our activities Sunday at the M.U.L.E.Y. event out at the Rocky Mountain Roosters facilities. This is a kid's educational event put on by the Pikes Peak Chapter of the Mule Deer Foundation. They had 174 kids with 110 adults in attendance. Lots of positive feedback received. Thanks to Dirty Polecat, J.W. Dixon, John Henry, K-K and Marshall Ransom Payne for their help.

We are trying to get a handle on how many folks are planning to attend the annual. A quick email to let me know if you are planning to attend would be helpful. Hope to see lot of you there.
