August 2013

NOTES FROM THE RANGE

Howdy all. Well we got through the Annual again and it was a good time as always. Three days of shootin', eatin' and more shootin'. The weather was good and the company was even better. We started out Friday morning with 4 main match stages that we got through in good order. After a nice lunch break we moved into side matches and had some more fun. Lots of lead down range on Friday topped off with a fine pot luck dinner. Thank you John Henry for cooking the ribs & brats for the pot luck. And thank you to everyone that brought a side dish. It was a great night.

After a good night's sleep (unlike last year), we started Saturday with a bang and a clang. Another 4 main match stages in the morning, followed by long range side matches in the afternoon. After a lot of shootin', we had a very good banquet, again cooked by our own John T. Henry, with a lot of help from Mrs. John Henry and Haywire Snuffy. The ladies sure know how to spruce up our humble abode. And again thanks to everyone that brought in a side dish. We were certainly well fed over the weekend. Following the Banquet we went back to the range and started on the night shoot. That is always fun and Saturday night was no exception. Lots of black powder flame in the moon light and tough to see targets but lots of fun!

Sunday started out hot and humid on the range and we started puttin' lead down range quickly. We started off with the Man on Man final. Iron Horse Babe was finally unseated as champion of that event but the trophy still went back to Texas with Starman. Congratulations. We then moved on to the Top Gun Stage. As the top shooter's from each category shot for the title it became apparent that a clean stage would be needed to win. And that stage was shot by Starman. Congratulations again. We then had a team shoot on the Top Gun stage that provided some good

entertainment. We finished the weekend by handing out awards and door prizes and of course eating the last of the brisket from Saturday night.

I want to thank everyone that helped put on the Annual, all of you that helped set up and tear down stages. Everyone that made certificates, ordered trophies, took money and all the many things that go into making an Annual run. And I want to thank everyone that came to shoot. You are the people that make it all worthwhile. Some of you came a long way to enjoy our club. J.W. Bones & Lucious Loralie was here from Carlsbad, New Mexico. It was a pleasure to meet you and we hope to see you again next year. Starman & Iron Horse Babe, from Texas; as always you are a pleasure to shoot with. And all our regular shooters thank you so very much.

And one last thing before I wrap up. I have decided to step down as match director effective after the Annual. I have enjoyed being match director these last few years but it is time for me

to move on. Taking over for the duration of my term will be Clinch Cutter. I want everyone to support him and give him as much help as you have to me while I was in charge. I believe he will be an asset to this club and will move us forward and help bring new shooters in and make the shoots more fun. And in that vein he has asked if members can bring some sections of hose 18-24 inches long in to use for targets. I am going to leave you thinking that over. What he has in mind does sound fun.

So until we meet on the range again; Keep your powder dry.

Midnite Slim

UPCOMING SHOOT

Oct 6 Monthly Shaketails Shoot – Frontier Sportsman's Club. Setup 8:00 AM, Registration 8:30 AM and Safety Meeting at 9:00AM

TG's Corner

I was a bit worried about the monsoon weather pattern that set in before the shoot but conditions turned favorable for us and what a great weekend it turned out to be! This was our second Shaketail annual at FSC and second night shoot. Not only did the weather treat us better this year but overall it felt like things ran well as lessons learned from last year were applied. Next year should be even better. Thanks go to Midnite Slim for a great shoot!

I mentioned last year that I learned that peep sights do not work at night. I decided to install a folding leaf sight for the night shoot this year. What I learned this year is that my eyes just can't see metallic rifle sights at night - no matter what they are. Mayhem Matt had no problem hitting the targets with the same gun so I can't blame the gun. I have to hope that if I ever need to defend myself with a rifle in the dark it had better have a laser or red dot sight or I am in trouble.

Midnite Slim mentioned that he is stepping down as match director. Please join me in saying thanks for all the hard work he has put into this club. Midnite Slim has helped to see us through some challenging times. I look forward to working with Clinch Cutter as we continue to strive to make the club better.

Shaketails members don't forget it is renewal time. Also it is election time again. This year the positions being elected are President, Secretary, Member-At-Large and Territorial Governor. There is also a proposed bylaws change. Ballots have been sent. Dirty Polecat has gotten a few back already. Please send to the address printed on the ballot.

Finally, I want remind everyone that there is no shoot in September. Our next show will be October 6th. Hope to see you there.
