NOTES FROM THE RANGE

Hi everyone well the weather finally let us shoot yeah. It didn't take long for everyone to get the Rust knocked off and we had some pretty good stages. There were several people that shot clean stages throughout the match so that was very good to see. We had two new shooters join us from the Air Force Academy which was very good to see a big thank you to Tim and Ford for coming out and joining us. Hope to see them again soon. John T Henry, Johnny Ringo, & Plumb Bob had a work day on Saturday and a big thank you to them they got a lot of stuff done sprucing up the range and our office is going to look really good when they get done look forward to seeing it finished. It's always a pleasure to see everyone and I hope everyone comes and joins us in May. As the Match Director I'm always open to new and bright ideas that would make our shoots better. Always feel free to shoot me an email or let me know when you see me and I will see what I can do to make the matches even better.

TC's Corner

I want to thank John Henry, Johnny Ringo and Plumb Bob for spending the weekend at the range getting some improvements started on our storage situation. After the shoot Bloody Lane and Dirty Polecat joined in to help. The rain and cold finally got to be too much and we had to call it a day.

We are planning to pick up where we left off with another work day the weekend of the 4/19-20. If you can help either day let me know so we can coordinate getting you through the gates.

I am also looking for volunteers to work with the Pikes Peak Chapter of the Mule Deer Foundation to help with a kid's educational event on Saturday May 10th at the Rocky Mountain Roosters facilities. If you can help with M.U.L.E.Y. Kid's Day, please let me know. I need 4 or 5 committed volunteers to support this great cause. We will be demonstrating and explaining Cowboy Action Shooting.

See you at the range.
